Submission of Formal Drawings

In response to the Notice of Allowability mailed on September 26, 2001, enclosed are three (3) sheets of formal drawings (Figures 1-6).

Please note that, in the Notice of Allowability the Examiner stated that the drawings should be corrected to show the claimed feature "the number of balls in each race being just one more than the number of balls in each adjacent race." However, this feature is already shown in Figure 2. Therefore, applicants submit that correction of the drawings is not required.

Respectfully submitted,

Henry C. Query, Jr.
